Whipped out to [@BosBarRD](#) for some delicious take out and as an added bonus of not using Skip (or STD as I call them) I got to see Santa 🎅

Mr & Mrs Claus on the bus. Passed by in front of our house. Very lucky. Some people waiting for hours on the street. Thank you city of Red Deer for lifting Christmas spirits of Red Deerians, especially the children. Thanks Stantec for sponsoring.

Dear @CityofRedDeer, thanks for sending the Santa Bus out. It was worth the wait, and great to see families line the streets in a safely distant, happy community event.

Heartwarming how many Red Deerians waited for Santa on our route last night. Santa (legit) texted me after and said, "It's an amazing city we live in and Christmas lives"!

**The City of Red Deer** @CityofRedDeer · Dec 12

And that's a wrap #RedDeer! Santa and Elf Fern have finished their tours of our beautiful city and are headed back to the North Pole. They have plenty of work to do in the next while. Thank you everyone for your patience and especially for keeping safe while you waited!

**Melanie Acres** City of Red Deer and Stantec made a lot of kids happy tonight- thank you

Santa and Elf Fern acknowledged their fans and waved their arms off the whole time. What a fantastic trio on that bus! The driver was so patient and let everyone have their evening.
